The Winchester Health Department is now offering the RSV vacc
appointment.

Subscribe

The RSV vaccine is recommended for the prevention of lower respiratory tract disease caused by RSV — a highly contagious virus that can make it hard to breathe.

Recommended for:

• Ages 60-74 years with increased risk

• Everyone aged 75 +

The vaccine is once in a lifetime and does not need to be repeated.

For more information and to schedule an appointment, call the Winchester Health Department at 781-721-7121.
